

Five things you can do to celebrate and support Our Lady of Guadalupe

- 1) Ask the Hispanic or ethnic ministry office in your diocese to send Our Lady of Guadalupe prayer cards and informational materials about the Feast Day to your parish and request your parish staff to place them in the designated area for worship aids. Also, ask your pastor to announce availability of the materials after Masses leading up to Dec. 12th.
 - 2) Organize an OLG event. It does not necessarily have to take place on Dec. 12th. See the list of events around the country for examples of what you can put together.
 - 3) For the Mass on Dec. 12th, ask your pastor to connect the importance of celebrating the Feast day with immigrants and Hispanic Catholics.
 - 4) Share with us information about OLG events in your diocese, parish, community, or Catholic school that we can add to the calendar. Send information to acube@usccb.org
 - 5) Take 3-4 supporters of immigrants, DREAMers, or other parishioners to meet with staff of your lawmakers on Dec. 12th. Tell them you want to meet on the day Catholics celebrate Our Lady of Guadalupe.
- Bonus:** Invite staff of your federal lawmakers to attend Our Lady of Guadalupe celebrations and Masses. See the map of events on JFI's Our Lady of Guadalupe resource page.
